

### Indicator 3E, Institutional Emphasis on Quality Teacher Education and Reform

Measurement subparts, 3E 2a and 3E2b - student performance on professional exams for teacher education.

#### Report for Performance Year 10, 2005-06

**Measure:** 2 subparts assessing (a) percentage of students passing the professional knowledge examination of the National Teachers Examination (or equivalent) and (b) percentage of students passing the specialty area examinations of the National Teachers Examination (or equivalent). For measurement details, see Performance Funding Workbook for Year 9, October 2004, pp II.73-II.79. The measure is based on students completing programs who took exams, including all takers and not just first-time takers. For detailed data related to individual examinations and results included for each institution, see CHE Publication, "A Closer Look at Public Higher Education in South Carolina, January 2005," pp 77-83.

As of Year 6, this indicator is applicable to all institutions in the Teaching University Sector for scoring purposes. Although this specific indicator is not applicable to Clemson and USC Columbia for scoring purposes in performance funding, these institutions continue to report their teacher education exam data and results are incorporated into scored performance for Indicator 7D, which is an aggregate measure of performance across a variety of exams.

NOTE: Data presented are for performance funding year 10, 2005-06. Results measured encompass the preceding April 1 to March 31 time period. For Year 10, Apr 1, 2004, to Mar 31, 2005, results apply.

#### 3E 2b, Percentage of Students Passing Specialty Areas

	Year 10, 2005-06, Performance Data		
	Results from Apr 1, 2004 - Mar 31, 2005		
	# Passing	# Tested	% Passing
<b><u>Teaching Universities Sector</u></b>			
The Citadel	89	111	80.2%
Coastal Carolina University	154	179	86.0%
College of Charleston	404	429	94.2%
Francis Marion University	66	103	64.1%
Lander University	21	33	63.6%
SC State University	45	45	100.0%
USC Aiken	125	135	92.6%
USC Upstate	231	271	85.2%
Winthrop University	360	377	95.5%

Note: Clemson and USC Columbia's results are incorporated in performance indicator 7D. For these exams, Clemson had 584 of 672 pass for 86.9% and USC Columbia had 432 of 443 pass for 97.5%.
